10. Application is made for a permit to authorize the activities described herein.

- A. I authorize the agent listed in item #4 to negotiate modifications or revisions, when necessary, and accept or assent to any stipulations on my behalf.
- B. I agree to provide entry to the project site for inspectors with proper identification or documents from the Miami-Dade County Department of Environmental Resources Management (DERM) for the purpose of making preliminary analyses on the site. Further, I agree to provide entry to the project site for such inspectors to monitor permitted work if a permit is granted.
- C. Further, I hereby acknowledge the obligation and responsibility for obtaining all the required state, federal or local permits **before** commencement of construction activities. I also understand that before commencement of this proposed project I must be granted separate permits or authorizations from the U.S. Army Corps of Engineers, the Florida Department of Environmental Protection, and the South Florida Water Management District, as necessary.

I certify that I am familiar with the information contained in this application, and that to the best of my knowledge and belief such information is true, complete, and accurate. I further certify that I possess the authority to undertake the proposed activities.

Signature of Applicant(s)

Date

NOTE: THIS APPLICATION MUST BE SIGNED by the person(s) who desires to undertake the proposed activity or by an authorized agent. If an agent is applying on behalf of the applicant, attach proof of authority for the agent to sign and bind the applicant.

NOTICE TO PERMIT APPLICANTS

This is a drainage permit or review application. It is not a Class II, III, or VI permit. You must obtain all required local, state, and federal authorizations or permits **BEFORE** commencing work.

For your information: Section 370.034, Florida Statutes, requires that all dredge and fill equipment owned, used, leased, rented, or operated in the state shall be registered with the Department of Natural Resources. Before selecting your contractor or equipment you may wish to determine if this requirement has been met. For further information contact the Chief of the Bureau of Licenses and Motorboat Registration, Tallahassee, Florida 32303. Telephone Number (904) 488-1195.
